Parents Evening Appointments

By now all parents should have received their log in details for the website or school spider app. We have had positive feedback that the process of booking appointments was easy to do. If you are having any difficulties with your log in details please contact the office who will be happy to assist you. We do need to politely remind parents that only one appointment per child can be made. Many thanks for your cooperation on this matter.

We will be running a crèche for school aged children during both evenings. Please do not ask to leave children younger than 4 as this is extremely difficult for the staff to manage due to large numbers of children.

Reminders:

-The deposit for the Y5 residential needs to be paid by Friday 28th October. We cannot reserve your child's place on the residential until we have received the deposit. Please also return the children's choices of activities as this will be done at half term and submitted the Conway Centre.

-Grandparents Day order forms need to be returned by this Friday at the latest.

-If you wish to order FOBs Christmas cards please return the order form by this Friday. Please note alterations to the designs cannot be made due to the volume of orders.

-Book your Parents' Evening appointment!

School Council

This week we have met with the whole school council. They really are a chatty bunch! They had lots of fabulous ideas about how to improve playtimes. We will be considering all of their suggestions (apart from making them longer and more of them!) and will keep you informed.

Ethical Enterprise News

On Friday evening 72 children and 6 staff did a sponsored walk around the field. The staff from Barclays came along to cheer on the children. Thank you to everyone who sponsored the children and supported the event. This money will go to the Retrack charity that helps street children in Africa get back into education. Please send in any sponsorship money this week and we will reveal the total raised next week. All the children who took part are receiving a Head teacher's Award in assembly today.

Grandparents' Day CD

This week we have been recording a CD of the Grandparents' Day songs. The children sound great and were very excited to be recorded. These will be available to buy at the Christmas Fair and will cost £5. All funds raised will be split evenly between FOBs and Ethical Enterprise.
