The weather has had an effect on this week's sporting events of the Netball and Football leagues.

Netball league

Mother Nature hindered our Netball league this week with the match at Egerton primary unable to be played due to wet/ rainy surface and conditions.

Over at Bexton, they and St Vincents got luckier with the weather and managed to play.

A very even competitive match with both teams showing great passing and wonderful team cohesion was only decided by some clinical finishing late on by the St Vincent attackers. A special mention should go to the players for their obvious communication on and off the court, good to hear!

Egerton n	Manor Park n		Bexton 2	St Vincents 8	
	P	W	D	L	Pts
Yorston	2	2	0	0	6
St Vincents	3	2	0	1	6
Egerton	2	1	0	1	3
Bexton	2	0	2	1	0
Manor Park	1	0	0	0	0

**no score with a superior point difference will be fully publish # head to head will be used split teams on same points ## this week Yorston are top due to average points per game.*

Football League

Round three of the football was slightly different to the previous rounds – usually the final round of matches played are short 10 minute games to give teams the opportunity to gain plenty of points, this competition we switched the third and final rounds so that the third had the 'point gaining, quick-fire' matches.

The first two games played were normal; two halves of 9 minutes, the remaining games were short-sharp-sized matches.

The aim of the shortened matches was to create plenty of drama (from a footballing point of view) and they definitely did. If you look at the scores (below) you may think the games were dull, only 1 or 2 goals but if you'd have watched the games and saw why there was only 1 goal, you'd have said those matches were anything other than dull; posts hits, keepers saving from point-blank range, cross-bars wobbling from the power of the shot that hit them, defenders heading or hooking the ball off the line plus the occasional mishit or some very well read interception so the attacker couldn't get their shot away. Well done to all involved, the final week is set up to be a fantastic experience!
