Parking Issues

It has come to our attention that several parents are driving through and sometimes parking in the school carpark when dropping or picking children up. Please can we remind parents not to do this (unless you have permission from the school). Staff carparking is very limited and we don't like to see children walking through the carpark for safety reasons. We will be monitoring this as well as parking around the school. **We'd like to say a huge thank you to all the parents who walk their children to school or park a safe distance away and walk their child in to school.**
