**Please note that all children should be collected from the main entrance at the end of all clubs.**

All clubs run by the school are available for booking and payment through your SCOPay account. The clubs for which your child is eligible should appear as an option on your account, add them to basket and pay and this should book your place. Hopefully, the system will only allow bookings whilst spaces are available, if this isn't the case, we will refund money charged and notify you accordingly.

Gymnastics and Young Engineers must be booked through the providers' own websites as listed in the right-hand column.

All other clubs run by external providers can be booked on the link below and cheques payable to the relevant provider should be sent in to school in a sealed envelope with your child's name, class and details of the club clearly marked on the envelope. Please use a separate form for each child although multiple clubs for the same child can be booked on one form.
