Easter Bunny visits Bexton!

We hope all our families had a wonderful Easter holiday. Thank you to Miss Chadwick for once again organising for the Easter Bunny to visit us here at Bexton before the holidays.

Y5 Residential

Year 5 had a great time on their residential. We were complemented on their (and the staffs!) behaviour by the staff at the Conway Centre.

The children took part in some adventurous activities, which help to build confidence and team building skills.

E-safety Notice- Roblox Information for Parents

It has come to our attention that a large number of children at Bexton in KS2 are playing Roblox. Here is some information regarding the game.

Parents need to know that Roblox is a game-creation site where users design and upload their own games as well as play other games in a multiplayer environment. Some of the gameplay is advanced and many games include weapons. The site offers a safe-chat mode for those under 13, as well as a parent login that lets you oversee your child’s use of the site. There have been reports of users thwarting the chat and exchanging inappropriate/predatory messages with young players.

There are in-game currency items called Robux that you can use to unlock additional items, but you will either earn these slowly or pay for additional cash with real money.

If you allow your child to play this game, we would strongly recommend you supervise any activity on this game very closely.

FOBs Facebook Page

We would like to confirm that the FOBs Facebook page will no longer be used. We are working closely with the FOBs team to streamline communications and therefore from now on, all FOBs communication will be through the newsletter or the Bexton Facebook page. You can contact Claire or Suzy directly at FOBs@bexton.cheshire.sch.uk.

Mrs Howard’s cake sale

Many thanks to all the staff (and children from the nursery) who contributed cakes in the last week of term. The cake sale raised an amazing £289.69! Mrs Howard took this money to donate to <http://acef.uk.com/> during her visit to Kenya.

Positive Parenting Course

Care for the family have contacted us to see if there would be any interest in positive parenting courses at Bexton. The courses will be run by Peter Freeman – youth liaison for Knutsford Methodist church. Please see the attached [form](#) if you wish to express an interest.
