

Bexton Primary School and Nursery  
Primary PE and Sports Premium Impact Report  
2016/17

## Reason for the report:

### Information from the Department for Education:

“Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years”

Bexton Primary School and Nursery have chosen to spend the Primary PE and Sports Premium funding as follows:

Income	£10,135
KSSP fees	£1,836
Staff CPD & Coaching EYFS, KS1 & KS2	11,336
Deficit (covered from main CPD budget)	£1,201

## Our aims:

- Bexton has a progressive, broad and balanced PE curriculum which enables PE to be enjoyed by all from Nursery through to Year 6.
- Children love the challenge of learning new sports (including being resilient to failure) and developing their skills in sports they are familiar with.
- Children are given opportunities to become lunchtime club leaders, sports captains and be part of a team to share skills and support other children in their enjoyment of sport.
- Children are able to engage and compete in sports where they are gifted, talented or able
- PE at Bexton is inclusive, and all children are given a chance to compete.
- Bexton is involved in community sport initiatives and works closely with local sports groups to develop future sport in Knutsford.
- Children have an awareness and understanding of the dangers of leading an unhealthy lifestyle.

## Decisions:

How are we going to use the funding to develop or add to the PE sport activities our school already offers?

In 2013, KSSP (Knutsford Schools Sports Partnership) was founded to give children from local Knutsford primary schools an opportunity to compete against other children of the same age, involve children in the local sports clubs and promote a healthy lifestyle. Bexton has decided to continue buying into the programme, and work alongside the organisers to continually improve the initiative and ensure it ties in with our aims for the children.

How are we going to use the funding to make sustainable improvements for current and future pupils?

In September 2016, Bexton made the decision to hire a sports coach from the PE and Sports Hub to work alongside teachers to develop the PE curriculum and support staff CPD. At the beginning of the year, the PE coordinator and the sports coach mapped out the long-term plan for all year groups from Nursery to Year 6, ensuring a wide range of sports were covered. These sports linked in with the upcoming KSSP tournaments, to give children opportunities to learn, practise and compete in the given sport before competing against other local schools. During these PE sessions, the sports coach delivers high-quality sessions, communicating with the teachers about his decision making and how he develops the children's skills. Therefore, teachers feel more confident to deliver their own PE lessons both alongside the sports coach and independently. As a result, teachers will be able to provide higher quality lessons themselves, meaning long-term improvements for teaching PE at Bexton.

How does the Primary PE Passport support teaching, learning and assessment in PE at Bexton?

The decision to bring in a sports coach from PE and Sports Hub also meant that we would have access to the Primary PE Passport ; an app developed by the company, which is a "...portable Physical Education planning, assessment and tracking tool designed to enable all Primary School teachers to deliver enjoyable, active and high quality sessions. The PE Passport is child centred and allows pupils' achievements in and out of school to be recorded and tracked from Reception right through to Year 6."

(<http://peandsportshub.co.uk/primary-pe-passport/>)

The passport has supported the PE coordinator in organising the long-term plan for the year, ensuring there is a wide range of sports being covering and skills are progressive throughout the year groups. The app also allows the PE coordinator, sports coach and senior leadership to monitor the teaching of PE across the whole school and access any assessment data to inform future decisions on how to develop PE at Bexton.

# Survey:

## Staff survey:

How did you rate your confidence teaching PE before this year?

11 Responses

3.09 Average Rating

How would you rate your confidence teaching PE after bringing in Mr Roberts and the PE Passport?

11 Responses

4.27 Average Rating

Do you feel that your teaching of PE has improved from observing Mr Roberts and because of the CPD Mr Roberts delivers during PE lessons?

●	Yes	11
●	No	0

## Quotes from pupil, parent and staff surveys:

“Mr Roberts is absolutely brilliant. The children love him. He’s enables children to experience sports. We must keep him” – Year 4 parent

“My child enjoys all PE lessons at Bexton. There is a great variety. They especially enjoyed basketball and tennis. We think the PE on offer is great and appreciate the opportunities to develop a wide range of skills inside and outside. Thank you” – Year 3 parent

“Brontë and Aubrey both enjoy their PE classes, sessions with Sprinkle (Artis Education), dance classes and minimovers. It’s great that the little ones from pre-school are now allowed to join in with PE and burn their energy off on the astroturf” Year 1 and Nursery parent

“I feel that my teaching of PE has improved after observing Mr Roberts and working alongside him. Please keep him!” – Teacher

“Mr Roberts is amazing. I love when he does star boy and star girl” - Sienna Year 3

“He (Mr Roberts) makes PE fun” – Sofia Year 3

“I think it is a good idea to get children doing a sport every playtime if they participate. It’s also good for the people running the children because it’s good to experience what it’s like to look after children who are younger than you. I love doing athletics because I really like doing a mixture of sports all in one go. I have enjoyed every sport we have done in school this year because I have learnt something new in every lesson” - Daisy Year 5

“Jamon has started hockey because of Mr Roberts introducing him to the game and encouraging him to take part in the inter-schools hockey tournament (when he got man of the match). And Jonty thinks he’s great and always says hello to him in the playground” – Year 1 and 4 parent

“It was great to have a sports coach teaching us in PE. Mr Robert’s is very kind and he has taught me loads, especially when we played cricket/diamond cricket” – Tom Year 6

## Impact:

Overall, the Primary PE and Sports Premium funding provided by the government has had a significant impact upon improving the PE and sport activities Bexton already offers and has made improvements that will benefit pupils joining the school in future years. As proven by the staff, parent and pupil surveys and assessment data from Primary PE Passport, children at Bexton are not only participating more often in sport, but also in a wider range of sports and are increasingly enjoying their experiences of sport.
