Bexton Go Back Packing!

The children had a wonderful time with Manchester Airport and in their back packing sessions. Here are some reviews from the children:

This couple of days has been wonderful!

It has been fun and exciting to 'travel' to different countries. I have enjoyed mixing with other chasses to work on educational activities.

It was really fun! My favourite bit was a Thai salad and the Mississippi mud pies!

This was a great opportunity to learn about different countries. I hope we have more days like this! ☺

The past two days have been amazing. It has been great to see different cultures and try different foods.

Parent Survey

This week in school we have been doing the pupil survey with KS2 children. The results are positive and we will be sharing them in next week's newsletter. We have attached a [link](#) to the annual parent survey. We use the results of this survey to demonstrate our effectiveness to OFSTED, report to governors and help make further improvements. This survey will be open until the 10th July.

KS2 Performances

The KS2 team are currently working very hard to rehearse for the KS2 performance and the Y6 Leavers Service. The Year 6 teachers were incredibly impressed with the standard of auditions last week; we certainly have a talented group of children in Year 6! Miss Goddard, Mr Evans and Mrs Lasham have been working together to write a script for the KS2 performance and Mrs Vale is helping the children to learn the songs. This year's performance promises to be something very special with the talented team creating a unique performance. We know the Year 5 children are especially thrilled to have speaking parts. Thank you to all the staff for their hard work.
