### Build a sea-side town day (Bexton's Seaside Resort)

On Monday 17<sup>th</sup> July the children will be designing their models and on Tuesday 18<sup>th</sup> July they will make them and building the seaside resort. We hope (weather allowing) that it will be on display for parents to see at the end of the day. Please send items for junk modelling, e.g. kitchen roll tubes, cereal boxes, plastic bottles, recycled objects etc. Please no thick cardboard (as the children can't cut it) and nothing bigger than a cereal box.

### Extra-curricular clubs

Please note that this week is the last week for any after school clubs. Only our wrap around care provision is running next week.

### Can you help Brainhouse Academy by donating outgrown school uniform?

To include boys' shorts and trousers, school jumpers and cardigans, T-shirts and shorts, also pumps, trainers and football boots (but no studs). Please send to the school office. Also the children are desperate for pens, pencils, coloured pencils, rubbers, laces and toothbrushes. We have taught them how to make toothpaste but the school has 1,000 pupils, 450 orphans so every little bit helps.

A huge thank you to you all.

Mrs Howard

### Artis (Sprinkle)

For those of you who were with us for the Infant performance this week you will know that Abbie (Sprinkle) is leaving us to move to Singapore. We wish her lots of luck in her new job and we know the children will be very sad to see her go. It is her last day on Thursday and the children have been busy making cards to say goodbye.

### Bump Up Day

Today all the children are visiting their new classrooms and spending the day with their new teacher. Your child will come home with a year group booklet tonight with information for you about next year. Please see the letter from Mrs Armstrong with more details.

### Summer Fair

We hope everyone had a brilliant time at the Summer Fair. Many thanks to the amazing FOBs team who have been working for weeks to organise the event. Thank you to everyone who donated, baked, ran a stall, built marquees, supervised the bouncy castles, danced around the May Pole, joined in the Tug of War and so much more. We can't wait to do it again next year!

### KS2 Library

We have been busy reorganising the KS2 Library over the last few weeks. We will be putting a big focus on reading next year and want to make sure there are books the children want to read.

We have asked the children what books they would like in the library and are asking for donations of particular authors. Please see the attached list. If you have any books by these authors that you would be happy to donate we would be very grateful. We will also be purchasing some new books for September but will see what donations we receive first.

### All library books should be returned by the end of this week.

Knutsford Library has started the Summer Reading Challenge and we are encouraging children to join up.

### Y6 Enterprise

Huge well done to Year 6! Their final Enterprise total stands at **£1803.88** raised for Cancer Research.
