

Home Learning Information  
WC 27/04/20 Wellbeing activities

These activities are designed to be completed at home whilst school is closed. They are not compulsory, but intended to support families whilst we are unable to be with your children at this time.

How many colours can you find?

Explore your house and garden to see how many colours you can find, then use the boxes to draw, glue or write what you discover.

Create a chalk masterpiece in your garden, let us see what you create.

Make some bunting to decorate your house; you could use this if your street is celebrating May Day or VE Day.
