**Are you like...**

Snd or dirt? An eagle or a cheetah? Use the link to see how to play this fun, active game. <https://www.youtube.com/watch?v=qnCzyLuPBjo>

**Make your own musical instrument:**

**Play twister:**

You can either play the official Twister game if you have it, or if you don't, then you can paint or draw some spots on an old bed sheet or pieces of paper and label them with the colours!

**Create a school map:**

Create a map of your school for your return. Can you remember where all the classrooms were? If you had to add a colour to represent a feeling about that room, what would it be and why?
