

KEEPING IN TOUCH (PARENTMAIL)

At Bexton we try very hard to improve the service that we deliver to you and to your children by communicating as frequently as possible so that everyone is kept informed.

However, you might also be aware that sending written information home can be rather 'hit and miss' with information often going missing on the way, and therefore we also use a service provided by Parentmail™ which enables schools to send their letters and messages direct to parents by email.

In order to use Parentmail we need to collect parent email addresses and would ask you to complete the form below. Please be assured, the service is registered with the Data Protection Registrar and guarantees that all email addresses will be kept completely private. There is also NO advertising associated with the scheme.

Whilst there are very few occasions on which we are likely to contact you by text, we would be grateful if you could also supply us with your main contact mobile telephone number. Any texts are also sent via the Parentmail service.

P. A. Dolan
