Dear Parents and carers,

I have decided after some long deliberation to retire early, at the end of this term and move on to some pastures new, with a completely different venture.

Obviously I have really enjoyed my time at Bexton and our many accomplishments over the years. I would like to take this opportunity to thank all of you for your support, kind words and encouragement over the years, they have really been appreciated. I would also like to thank all the staff for their incredibly hard work, without them we wouldn't have made such a difference. The children, staff and wider community, especially all the grandparents, are incredible and words cannot express how much I have really appreciated them over the years.

Good luck and best wishes to you all for the future.

Yours sincerely,

Paul Dolan
