***Clubs***

Clubs start back this week, including Fun French with Mrs Davies on Tuesdays and Wednesdays.

***Smart Watches***

Smart watches such as the Apple Watch will be treated by the school in the same way as mobile telephones. If children wear them for school they should be removed and handed to the teacher for safekeeping during the day and collected at home time. The school is not responsible for the safety of such appliances and if children bring them in, they do so at their own risk.

***Bad Weather***

Should the weather turn a bit nasty, the quickest way for us to contact you about opening arrangements is through push notifications on the School Spider app – go to your app store and download for free – no password for the app is necessary. We will also keep the website up to date and use SCOPay for correspondence where possible. The radio station we tend to use to alert you if we need to close is Silk FM.
