Dear Members

As you are aware the Children's Centre Public Consultation, in respect of de-designation of services at our Centre, has now closed.

Mark Stanley, our Locality Manager, has produced a written response to each of the questions posed by Knutsford Children's Centre parents. The response paper is available to read on our notice boards, and at the main reception desk at the Children's Centre.

As soon as there are any further developments, we shall inform our members.

Kind regards,
Sue Kenyon
Children's Centre Manager
