All children who are to be collected must now be collected from the front entrance of the school, not the infant gate. Club leaders will line their children up in the corridor area outside the office, then release the children through the porch when they can see that their adults have arrived. If you wish to make alternative arrangements, or you would like the child to walk home, please contact your child's club provider with this information and give them explicit written permission if you would like them to walk home.

All Clubs run by outside providers must be booked and paid for via the provider's website or email address.

All clubs run by the school will be available for booking and payment through your SCOPAY account from **Wednesday 17th April at 12:00.**

The clubs for which your child is eligible will appear as an option on your account, add them to the basket and then pay for the club, and this will book your place. If you cannot see the club on your SCOPAY account, the club is full.
