KS2 Break Menu: A reminder that the Key Stage 2 break menu is saved on the School Meal's [page](#) on our website.

Summer 1 Curriculum Plans: You will find the medium term plans for your child's year group on their website page or [here](#). These curriculum plans give you a general idea of the areas of focus in each subject area. If you would like to know in more detail what is covered, this is available in the [long term plan](#).

Times Top 500 Primary Schools: We are delighted to inform parents that once again, Bexton has made it into the top 500 schools as ranked by The Times! Bexton is ranked **198th** out of **16,783** primary schools in England. The ranking is based on average scores in English, grammar and maths at the end of Key Stage 2. This is a testament to the hard work our children and staff put into ensuring children achieve excellent standards that will support them in the next stage of their education. A big thank you to our families and governors who also support us to keep achieving and delivering such a fantastic education for all our children.

Reading Lists

At the recent Parents' Evening, some parents asked for advice about widening the range of books their children read. On our website, there is a page dedicated to [reading at home](#), and there are links to excellent book lists for each year group. We particularly recommend the 'branching out' resources for extra ideas of books. If you scan the QR code on each page, it will take you directly to a book

ordering site.
