**Lost Property:** We have a large amount of unnamed lost property, including a large number of coats. If there is a name on an item we try hard to reunite the item with the child, but please be aware that after washing some labelling becomes unreadable. Please come before half term to claim items.

**Whole School Photo:** PLEASE NOTE THE CHANGE OF DATE! The photography company are very concerned about the likelihood of heavy rain on Friday so we have rearranged the date for the whole school photograph to Thursday 27<sup>th</sup> June (am). Please pencil the date in your diary if your child is not normally in Pre-School on this date as we’d love them to be part of the memories of our school.

**Cygnet & Swans Graduation:** Please note the dates above. All parents are warmly invited!

## Design Technology Day

We’re very excited to announce a Design Technology project that all children across the school (including the Swan’s room) will be joining in with on **Thursday 4<sup>th</sup> and Friday 5<sup>th</sup> July**. Inspired by Bexfest, the children will be challenged to make their own carnival creations. Their task will be to design, make and evaluate their products. On the Friday afternoon, the children will buddy up with another year group so they can share and parents are invited into their child’s classroom from 3pm. We really hope you can join us! We’re trying hard to mainly use recycling items, each teacher will let you know if your child needs to bring anything in. **Please make a £1 donation on your Scopay account for specific items the children need.** A big thank you to Mrs Allen for organising this – we know the children will have a wonderful time!

## Cygnets 1 News

The Cygnets have been having their best adventures on their aeroplane this week. They have been packing suitcases, making passports and delivering tickets. This week they be continuing with their adventures!

## Cygnets 2 News

Cygnets have been thoroughly enjoying the story of Supertato. They have been helping Supertato defeat the Evil Pea with their water shooters and still love their potions!

## Swans News

The Swans have been closely watching their caterpillars as they have spent the week turning into a chrysalis. This week they will be looking at a story called ‘The Dot’ which celebrates everyone’s creative side.
