Monday 22nd & Tuesday 23rd July: INSET days

Holiday Club: This is now bookable on your Scopay account. Please see our [website](#) for more details.

New Uniform Supplier: Our uniform suppliers at MPA have retired and their business has been bought by a local supplier ClassworX in Macclesfield, the transition has already happened, and they have all our uniform available. You can buy online or visit their shop on King Edward Street Macclesfield SK10 1AP Telephone 01625 500552. [Bexton Primary School | ClassworX](#)

Lost Property: We have a large amount of unnamed lost property, including a large number of coats. If there is a name on an item we try hard to reunite the item with the child, but please be aware that after washing some labelling becomes unreadable. Please come before half term to claim items.

Assembly coming up: Please note the date Year 6 assembly. All parents are invited and the assemblies begin at 9am and you are able to leave after the children's assembly or join us for star of the week celebrations.

Whole School Photo: PLEASE NOTE THE CHANGE OF DATE! The photography company are very concerned about the likelihood of heavy rain on Friday so we have rearranged the date for the whole school photograph to Thursday 27th June (am). Please pencil the date in your diary if your child is not normally in Pre-School on this date as we'd love them to be part of the memories of our school.

Well done Year 6!

We would like to congratulate to our Year 6 children for their incredible hard work and dedication during SATs week. Your determination and positive attitude have truly shone through, and we are incredibly proud of each and every one of you! A big thank you also goes out to our fantastic Year 6 teachers and support staff who came in early everyday last week to prepare their breakfast treats.

BEXFEST 2024!

What a brilliant evening! A massive thank you to the FOBs team who've worked tirelessly for the last month to pull everything together. We have had some wonderful feedback and will be meeting tomorrow evening to reflect and adapt for future events.

A huge thank you also needs to go to all our families and the local community for joining in the festivities with such gusto – we really do appreciate your support!

Happy Birthday

A very happy birthday to Oliver! Thank you for the birthday books for your class!

Design Technology Day

We're very excited to announce a Design Technology project that all children across the school (including nursery) will be joining in with on **Thursday 4th and Friday 5th July**. Inspired by Bexfest, the children will be challenged to make their own carnival creations. Their task will be to design, make and evaluate their products. On the Friday afternoon, the children will buddy up with another year group so they can share and parents are invited into their child's classroom from 3pm. We really hope you can join us! We're trying hard to mainly use recycling items, each teacher will let you know if your child needs to bring anything in. **Please make a £1 donation on your Scopay account for specific items the children need.** A big thank you to Mrs Allen for organising this – we know the children will have a wonderful time!
