Monday 22nd & Tuesday 23rd July: INSET days

Cheshire Academies Trust Parent Survey: The trust are launching a trust-wide survey for parents soon. It is an opportunity for parents to offer a valuable perspective on how you feel the the school is supporting your child's educational journey. It is anonymous and designed to ensure you can share your thoughts freely. At Bexton, we always value parental feedback and use this to further develop the provision for all pupils and we encourage you to complete this survey when it arrives. Many thanks in advance.

Summer 2 Menus: Please see the [website](#) for our updated menus.

Lost Property: If any parents would like to help us wash some of the unclaimed lost property, please come to the main entrance and collect a bag. This will mean that we can do an end of year 'nearly new' sale in July. Many thanks in advance.

Design Technology Showcase: A reminder that parents are invited in at 3pm on Friday 5th July to see the carnival creations. A reminder to make your £1 donation on your Scopay account. Many thanks in advance.

Sex Education (Jigsaw): This half term the Jigsaw unit is 'Changing Me' and contains content and vocabulary related to sex education from Year 2 upwards. We have put information on our [website](#) giving more information about the content and if you require more information, Mrs Sach can send you an access code to view the teaching materials used by your child's teacher. There are also documents on the [class pages](#) which outline the objectives and vocabulary within the unit. Parents have the right to withdraw their child from sex education and this request must be put in writing to the headteacher. We feel that the information we provide will reassure parents that the content is addressed in an age-appropriate and respectful way.

Marvellous Makers- Knutsford Library Reading Challenge!

This Saturday, the Summer Reading Challenge opens and we always encourage as many children as possible to join in. Any child who brings in their certificate in September will also receive a headteacher's award.

Summer Water Safety

The Cheshire East Safeguarding Team have asked us to share with you the water safety poster attached to this newsletter. We will reinforce this in assemblies, but please make sure you share the key messages with your child:

- Enter water slowly and carefully
- Stay within reach of a standing depth
- Always be supervised
- In an emergency, call 999.
- If you fall in or become tired, stay calm, float on your back and call for help.

Green Spaces Strategy

Please look out for a post card coming home from Knutsford Town Council. They have asked if the children could draw a picture of their 'perfect park'. The winner will receive some art supplies. If your child can complete and return to their class teacher by 21st June. Entries welcome from children in Reception to Year 6.

Happy Birthday

A very happy birthday to Arrabella! Thank you for the birthday book for your class!
