## Nearly New Uniform Sale

Please bring along some change on Sports Day if you would like to purchase some pre-loved uniform. This will be available outside the nursery building throughout the day.

## The Toy Appeal- Give a Child a Christmas

A reminder we are collecting *new or very good condition* second-hand **teddies** to include in this year's Christmas sacks for children aged 2 to 17. If you have any teddies in excellent condition that you no longer need or use, please consider donating them. Donations can be dropped off at the front office until the end of term.

## Cygnets

Our Cygnet children will be making an exciting move into either the Cygnet 2 classroom or into Swans. Over the next few weeks we will be taking time to visit the classrooms and the outside area in order to familiarise the children in their new surroundings.

With this in mind we are making a real effort in preparing the children to be more independent. It would be beneficial to your child if you can also encourage your child to put their own shoes on and off, get themselves dressed and pop on and zip up their coats.

We thank you in your support.

## Transition to school information.

Over the next several weeks, we will be supporting your child with their transition into the Reception classes. We have planned various activities beginning with our new intake meeting on **19th June @1.45pm** for parents and children. We will begin to spend more time across in the main school, getting familiar with their teachers and classrooms. We will go and have lunch in the dinner hall where the children can have a school lunch (dates and details to follow). For children going to another school, our staff will liaise with their new schools to invite their new teachers in and share the types of activities they enjoy doing.

This can be an exciting time, but we also understand that you might have some questions. If you would like to discuss your child's transition further, Mrs Parker and Mrs Patton are available for meetings. Please email [nursery@bexton.cheshire.sch.uk](mailto:nursery@bexton.cheshire.sch.uk) to arrange.

We are dedicated to making this transition a positive experience for both you and your child. Your involvement and support are key to a successful start to their school life.
