**Friday 25<sup>th</sup> October:** Break up for half term  
**Monday 4<sup>th</sup> November:** INSET day  
**Tuesday 5<sup>th</sup> November:** Children return to school

**Toy Appeal:** A reminder we're collecting new or very good condition second-hand teddies.  
**Summer Reading Challenge:** A quick reminder to encourage your child to take part in the summer reading challenge. Any child who completes the challenge and brings in their medal in the autumn term will receive a headteacher's award.  
**INSET Day - 6th January:** Following discussions with our Local Governing Board, we have planned an additional INSET day next academic year, scheduled for 6th January 2025. We apologise for any inconvenience this may cause, as this is in addition to the INSET days already announced. This extra day will provide our staff valuable development and training opportunities, in line with our School Development Priorities for the academic year 2024-25. Please find the updated dates list attached. Thank you in advance for your understanding and support.  
**Lost Property:** There are once again, a lot of coats in our lost property! We try hard to return items with names on, but it is almost impossible to cope with storing the amount of items that turn up with no names on. If your child has lost a coat, please check the box before it is cleared out into the recycling container at the end of term.  
**Parent Survey:** Thank you to everyone who responded to our survey. There were 148 responses in total.

## Holiday Club

A reminder that you can book summer holiday care through your Scopay account. This is a lovely opportunity for your child to have some fun with other children in a safe environment with lots of activities designed to keep them engaged and happy.

## Swans News

It was a busy week in Swans last week! The children have joined in with school's Design Technology days and made boats. The Swans have also been over to school each day to enjoy a school dinner and they have made us all very proud of how well they have behaved and with the levels of their independence.

## Transition Information

This week we will be enjoying transition day and we will be visiting our new classrooms, teachers, teaching assistants and friends. You will have received the information for our transition day (10.7.24) when you came on the new intake day. However if your child is usually in preschool, we will take them over for their allocated slot. If your child doesn't usually attend nursery on a Wednesday, they will need to come in via the infant gate and they will be met at the reception gate by their teacher. The session times are either 9am to 11am or 1pm to 3pm.

## Cygnets' News

The Cygnets have made some amazing boats as part of their Design Technology day and they looked amazing! They have also been doing lots of transition visits over to Swans or to Cygnets 2 in preparation for September.
