Lost Property: There are, once again, a lot of coats in our lost property! We try hard to return items with names on, but it is almost impossible to cope with storing the amount of items that turn up with no names on. If your child has lost a coat, please check the box before it is cleared out into the recycling container at the end of term.

Permission to walk home: If your child is in Year 4 or above, a parent can give consent for them to walk home. If you have already granted permission then this will carry over next year. If your child is currently in Year 3 and you wish them to walk home, then please fill in the information on this [form](#).

Whole School Photo: A reminder that you can purchase the whole school photo at the following [link](#). They offer a free "deliver to school" option that is open for approximately 14 days, alternatively, home delivery is available at a cost of £5 postage and packing.

Parent Reports: A reminder that parent reports are coming out after school today via email. These will be emailed to any parents registered on Scopay and you can download the report by entering your child's date of birth. The report has details about what the information within the report includes. Please read this information carefully and if you wish to speak to your child's teacher about the report, please email the office to arrange. We hope you enjoy reading your child's report – the teachers have worked incredibly hard on them.

Music Concert: A reminder that parents of children in Year 3, Year 4 and Year 5 are invited to the music concert at **2.30pm today**.

Attenborough Games Afternoon: If your child is in Attenborough (red) then they can bring a game in **this Thursday** as the team have passed 10,000 points.

Well done!

Attached to this newsletter are our end of term results from across the school, which are again, all above or significantly above national. We'd like to say a huge thank you to our entire staff team for their hard work to ensure children get the very best education every day. The fact that they can achieve these fantastic results and deliver a broad and balanced curriculum, filled with memorable experiences for the children shouldn't be taken lightly.

A special mention to our brilliant Year 6's- you've worked so hard and achieved some fantastic results. We look forward to celebrating with them on Thursday evening and wish them luck in the next stage of their education. 😊

Goodbye from Mrs Sach

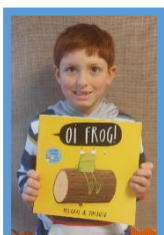

After working at Bexton for 24 years, deputy for the last eight years (and 312 newsletters!) it is time for me to say farewell to the Bexton community to move onto my own headship. Bexton is an incredible place, which has felt like family for so long. The staff here are an amazing team and I will miss them a lot! They work so hard for all of the children and I've been grateful for all of their support during my time here. Thank you also to all the governors I've worked with, they give so much time to the school and provide a very valuable role ensuring your children's education is the best it can be. We couldn't do it without them and they should be recognised for their important contribution.

I've loved teaching at Bexton, the children have been a joy to teach and I have so many fond memories of my time in different year groups across the school. To all of the families, some I've known for many years, I will miss you all! I love to hear about what your children are up to as they grow, leave high school and move onto different adventures.

A huge thank you for all your kind words over the last few months as I've headed towards headship. 😊

Happy Birthday

A very happy birthday to Oliver, Immy, Reggie, Emily, Seb, Charlotte and Pearl! Thank you for the birthday books for your classes. 😊

Holiday Club

A reminder that you can book summer holiday care through your Scopay account. Booking closes on Friday.
