Year Group: 4	Main theme/ driving subject: Scandinavian Europe/ Geography
Aut 1	
Big questions	What is it like to live in a Scandinavian country? How does it compare to life in the UK? How do maps help us compare locations?
	Why do people choose to settle in a particular place? How will the environment affect where people choose to settle in the future?

Through this unit of work we are investigating the sights in Norway and creating a travel brochure to encourage visitors
