

Bexton Strategic Vision

THE THREE LENSES
We look at ourselves and the world around us using the three lenses of emotional intelligence:

Strategic Aims (Regularly reviewed)	<p>Looking Inwards Bexton goes beyond looking at individuals. We create a whole-school community where every person belongs, is valued and can thrive.</p>	<p>To achieve this, we: Value our inclusive, safe and happy ethos <ul style="list-style-type: none"> Value the inclusive and welcoming ethos of our school, supporting every child to feel safe, be happy and grow in confidence to be their own person. Invest in people, resources, and spaces around school to enhance the health, learning and wellbeing of our school community Protect financial health of the school ensuring a return on investment in line with our vision and values Encourage a love of learning throughout the school community <ul style="list-style-type: none"> Deliver a rich curriculum alongside robust assessment so that all children have the opportunity to reach their full potential Create enriching memorable moments for children and their families Empower staff to retain their passion and joy in teaching in order to benefit their professional development and personal wellbeing Provide emotional and wellbeing support for children and staff so that children are able to access their learning Connect with all stakeholders through proactive communication <ul style="list-style-type: none"> Share information with parents & carers about their child’s progress and areas for development using a variety of communication channels to promote parental engagement Use technology to improve communication methods and parent’s ability to support their children’s education </p>
	<p>Looking Outwards Bexton goes beyond looking at our school in isolation. We support and learn from a wider local, national and global community.</p>	<p>To achieve this, we: Collaborate with other schools and educational partners <ul style="list-style-type: none"> Value our privileged position, never taking it for granted; we continually strive to maintain outstanding academic results for Bexton and Cheshire Academies Trust Deliver an innovative and inspiring education, using research and evidence-based professional learning from the wider educational landscape to embrace approaches which make a positive, sustainable impact on our school and others Are an active and supportive part of our local community <ul style="list-style-type: none"> Welcome and encourage community engagement inside and outside of the school buildings Connect with our local area, creating meaningful partnerships with Knutsford schools, charities, businesses and community groups Collaborate with partners to create real life experiences for the children Protect our excellent reputation within the community by sharing our outward-facing approach through a wide variety of communication channels Explore and celebrate diversity as “the way we are” <ul style="list-style-type: none"> Empower children, staff and governors to be outward-looking, utilising the Ethical Enterprise curriculum; encouraging them to want to make a positive difference in their local and wider community Explore and celebrate diversity with children, staff, parents, carers and governors so inclusivity is embedded into ‘the way we are’ Through the curriculum, promote and develop a safe space for our children, staff and governors and everyone feels that they belong </p>
	<p>Looking Forward Bexton goes beyond looking at our current impact. We make a positive difference to our children, their families and our wider community far into the future.</p>	<p>To achieve this, we: Encourage environmental responsibility and sustainability <ul style="list-style-type: none"> Value our beautiful semi-rural setting and use it conscientiously to help children understand their environmental impact Commit to sustainability through both internal and external practice Keep up with academic, economic and social trends to continually evolve our provision <ul style="list-style-type: none"> Learn from other organisations about academic, economic and social trends to ensure our provision is positioning our children for the future Empower staff to bring new ideas and innovation, ensuring excellent standards of teaching and learning during the continual evolution of the teaching profession Deliver rigorous financial projections to allow for future planning in line with our vision and values Encourage healthy lifestyle choices for now and the future <ul style="list-style-type: none"> Enable children to make healthy lifestyle choices creating a shared understanding between children, staff and parents & carers Invest time and resources in developing children’s wider skills and talents, which in turn builds their confidence and a love of learning </p>
