- **Friday 14<sup>th</sup> February:**  
Break up for half term

### **This week's important information!**

#### Lights Switch On - Saturday 30th November

Our amazing Year 5 and 6 choir are performing on Saturday at the Knutsford Lights Switch On. They will be performing on the stage at 4.30pm in Canute Square and we would love to see you there to support them if you can make it.

#### Christmas Jumper Day

On Wednesday 4<sup>th</sup> December the children are invited to dress down and to wear their Christmas jumper. It will also be the children's Christmas lunch that day. Please click on the link for the Christmas lunch menu. If your child does not want a Christmas lunch the kitchen will still be serving pasta. Sandwiches are also available for Year 3 to 6. <https://www.bexton.cheshire.sch.uk/page/school-meals>

#### Year 1 walk to Knutsford Methodist Church

Please make sure you have completed the permission form on your Scopay account for your child to walk to Knutsford Methodist Church, if you have not done so already.

#### Donations for Christmas Lights Extravaganza

A last reminder to send in your bottles, chocolates and cupola contributions by Tuesday 3<sup>rd</sup> December so our volunteers can organise their stalls in time for the Christmas Lights Extravaganza event. Thank you in advance for all your generous support.

#### Nativity Tickets

Nativity tickets will have been sent home with the children in their book bags today. If you would like to order extra tickets then please use this [link](#). Please be aware these will be issued on a first come first serve basis and there is limited availability.

#### Christmas Lights Extravaganza

Ticket ordering is now closed on Scopay. If you would like to purchase tickets or prepaid cards then please visit the school office. We can only accept card payments as we are a cashless school.

#### Anglo Saxon

Year 4 Anglo-Saxon themed day is on Friday 6<sup>th</sup> December. Please remember the children are to come dressed up as an Anglo-Saxon. For more information, please see this PDF: [What the Anglo Saxons Wore](#)

### School Council

The School Council team have been working incredibly hard over the past few weeks to establish clear actions aimed at improving school provisions for everyone. They have embraced their responsibilities with great dedication and are currently collaborating with Mrs. Armstrong to implement a range of initiatives. These include raising awareness of various charities, organising fundraising efforts to support school equipment and planning memorable experiences for children across all year groups. We are very proud of their hard work and commitment!

### Football

On Tuesday, our Boys' Football team finally got their season underway. They had waited patiently for their first match, and it was certainly worth the wait! End to end, incredible goals, stunning defending, wonderful team play...it had everything. The team spirit and the work rate were excellent, and we're delighted to say that the boys defeated a very good Egerton side. What a great start to their season! Thank you so much to all of their adults for supporting us and coordinating transport.

### Year 1 Science

Year 1 took part in a melting investigation in science this week. The children each melted an ice cube using body heat from their hands. We then saved our frozen toys that had been trapped in ice! We tested cold water, warm water and a hairdryer to see which would melt the frozen toys the quickest.

### Year 6 Science

Year 6 loved constructing complete circuits using light bulbs and switches-especially when it worked! They are also now using the correct symbols for each component in their work. The next step will involve variations within the circuits.

### Happy Birthday!

Thank you, Maxwell and Henry for your lovely books!

### Thank you!

We have raised an incredible £1,130 from the school disco, thank you so much for all your support. The funds raised will go towards the replacement of the Astro Turf.
