<u>No Clubs running on Fridays</u>					

All children are to be collected from the front entrance of the school. Club leaders will line their children up in the corridor area outside the office, then release the children through the porch when they can see that their adults have arrived. As the evenings are darker during the Spring 1 term, we ask that all children, regardless of whether they have permission to walk home, are picked up by an adult from the school's main entrance.

All Clubs run by outside providers must be booked and paid for via the provider's website or email address.

All clubs run by the school will be available for booking and payment through your SCOPAY account from **Wednesday 8th January at 12:00.**

The clubs for which your child is eligible will appear as an option on your account, add them to the basket and then pay for the club, and this will book your place. If you cannot see the club on your SCOPAY account, the club is full.

Please don't hesitate to contact us if you have any queries.
