

## **BEXTON PRIMARY SCHOOL ANTI-BULLYING POLICY**

**Name of school:** Bexton Primary School and Nursery

**Date of review:** Autumn 2024

**New review date:** Autumn 2025

### **Values**

At Bexton, values are at the heart of our ethos and practice. We promote the five key Bexton values through assemblies and the curriculum. The Bexton Values were chosen by our pupils and staff to epitomise the behaviours of an ideal Bexton pupil:

#### **Children at Bexton all pledge to:**

- **Be positive**
- **Be hardworking**
- **Be respectful**
- **Be kind**
- **Never give up!**

We also promote the British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs. We actively promote these values and challenge opinions or behaviours in school that are contrary to the British or Bexton key values.

### **Anti-Bullying**

Bullying is "behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally". (DfE "Preventing and Tackling Bullying", July 2017)

Bullying can take many forms:

- Name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.
- This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include: sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- Bullying can be a form of peer on peer abuse and can be emotionally abusive; it can cause severe and adverse effects on children's emotional development.

Bullying can happen to anyone. This policy covers all types of bullying including:

- Bullying related to race, religion, nationality or culture

At Bexton, we recognise that bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing. By effectively preventing and tackling bullying, our schools can help to create safe, disciplined environment, where pupils are able to learn and fulfil their potential.

We focus on the prevention of bullying by:

- School Council and Wellbeing Ambassador representatives focusing on behaviour and safety throughout the school and sharing ways to keep children safe;
- Annual theme days / week (supported by School Council and Wellbeing Ambassadors), followed up with regular assemblies during school year on the theme of anti-bullying;

- Teaching assertiveness and other social skills;
- Providing peer mentoring / buddy systems where appropriate

The school community will:

- Create and support an inclusive environment which promotes a culture of mutual respect, consideration and care for others, which will be upheld by all.
- Recognise that bullying can be perpetrated or experienced by any member of the community, including adults and children (peer on peer abuse).
- Openly discuss differences between people that could motivate bullying through daily teaching including PSHE sessions, assemblies and our Ethical Enterprise curriculum that celebrates equality and diversity
- Challenge practice and language which does not uphold the values of tolerance, non-discrimination and respect towards others.
- Be encouraged to use technology, especially mobile phones and social media positively and responsibly.
- Work with staff, the wider community and outside agencies to prevent and tackle concerns including all forms of prejudice-driven bullying.
- Celebrate success and achievements to promote and build the positive school ethos.

The following steps may be taken when dealing with any reported incidents of bullying:

action will be taken, including providing support and implementing sanctions in school in accordance with the school's behaviour policy.

- A clear and precise account of the incident will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken on our online reporting software CPOMs.
