Charging and Remissions Policy

Name of school: Bexton Primary School & Nursery

Date of review: Spring 2025

New review date: Spring 2027

1. Introduction

This policy is based on advice from the Department for Education (DfE) on charging for school activities and the Education Act 1996, sections 449-462 of which set out the law on charging for school activities in England. Academies are required to comply with this Act through their funding agreements.

2. Education

All education during school hours (including the supply of any materials, books, instruments or other equipment) for children aged 4 – 11 is free from the September after the child reaches their fourth birthday. We do not charge for education provided outside school hours if it is undertaken as part of the National Curriculum. We do not charge for Admission applications.

3. Voluntary contributions

3.1 As an exception to the requirements set out in paragraph 2. above, when organising school trips or visits which enrich the curriculum and educational experience of the children, the school invites parents to contribute to the cost of the trip. All contributions are voluntary. If we do not receive sufficient voluntary contributions, we may cancel a trip. If a trip goes ahead, it may include children whose parents have not paid any contribution. We do not treat these children differently from any others.

3.2 If a parent wishes their child to take part in a school trip or event, but is unwilling or unable to make a voluntary contribution, we do allow the child to participate fully in the trip or activity. Sometimes the school pays additional costs in order to support the visit.

4. Out of school sports and activity clubs

When not prevented from doing so by Covid-19 restrictions, the school offers a range of sports and activity clubs outside school hours (e.g. netball, football). Parents can choose whether they wish their children to take part in these clubs and they are chargeable. In addition, from time to time, the school hosts clubs outside of school hours which are run by external parties. Charges are payable by parents directly to the provider.

5. Residential visits

If the school organises a residential visit in school time or mainly school time, which is to provide education directly related to the National Curriculum, we do not make any charge for the education. However, we do make a charge to cover the costs of board and lodging and also request a contribution towards travel expenses. The school will provide financial support for residential visits to all pupils in receipt of Pupil Premium funding at the time of the trip.

6. Music tuition

6.1 All children study music as part of the normal school curriculum. We do not charge for this.

6.2 There is a charge for individual or group music tuition if this is not an essential part of the National Curriculum and is provided at the request of the pupil's parent.

7. Swimming

7.1 The school organises swimming lessons for children in Years 3 and 4. These take place in school time and are part of the National Curriculum. We make no charge for this activity. We inform parents when these lessons are to take place, and we ask parents for their written permission for their child to take part in swimming lessons. A voluntary contribution for transport is requested on a termly basis.

8. Lettings to outside organisations

All requests for hiring of school premises must be made in writing and the necessary licence/hiring agreement completed by the group/individual (see Lettings Policy).
